

How to Be a Motherfucking Pimp

For Children

By The Spider Fourz

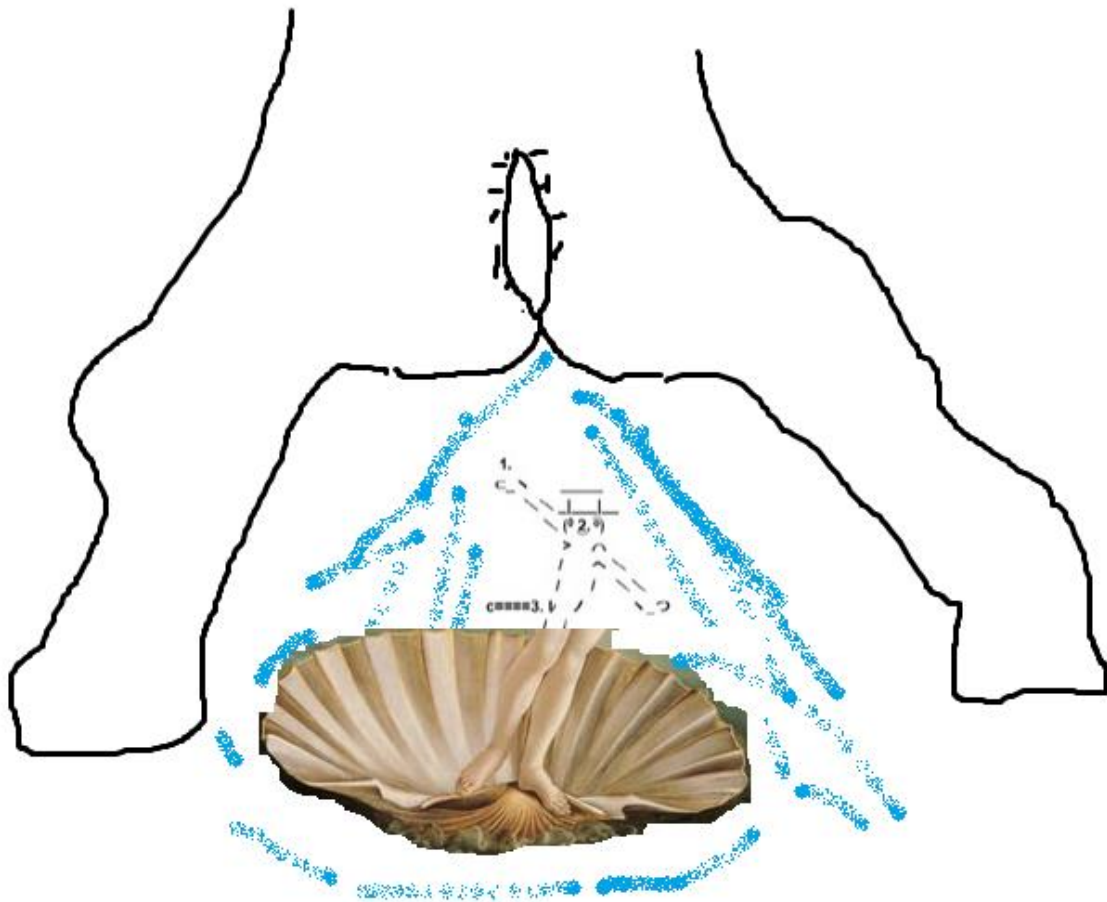

A Read-Along for de Yout

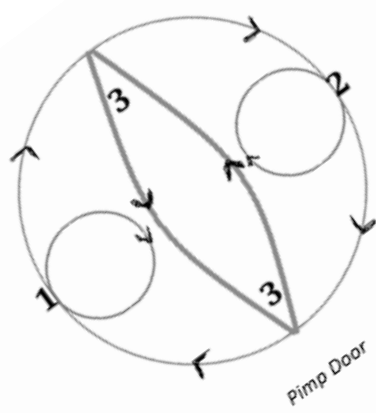

There is, was and will be a pimp
called Dazzle Razzle.

One day, when the stars were aligned within a lunar synthesis, Dazzle Razzle gurgled and gushed forth.

He came to humanity as a savior, to spread the word

In this sense, whether Cock, Game or Cash comes first is moot. The system appears in toto as pimps and hoes mingle and create their conditions through bitches and tricks. This is circular but the picture is not complete. There are higher principles that make the wheel turn, a cog in the cosmic machine that unifies the Pimp Realm and the Bitch Realm. Regard the next level of subsumption.
 Dependent upon, yet commanding, the lower layers we see another level of cipher.

Layer two

2022 One would think that our layer one ordering should have ran 1 3 2, from Cock to Game to Cash as we see

He firmed up the grip on
bitches, giving order and
meaning

Crucial distinctions were identified. Lines were drawn. New subjectivities realized.

Bodies piled up, but there is
always a price to be paid for
luminous wisdom

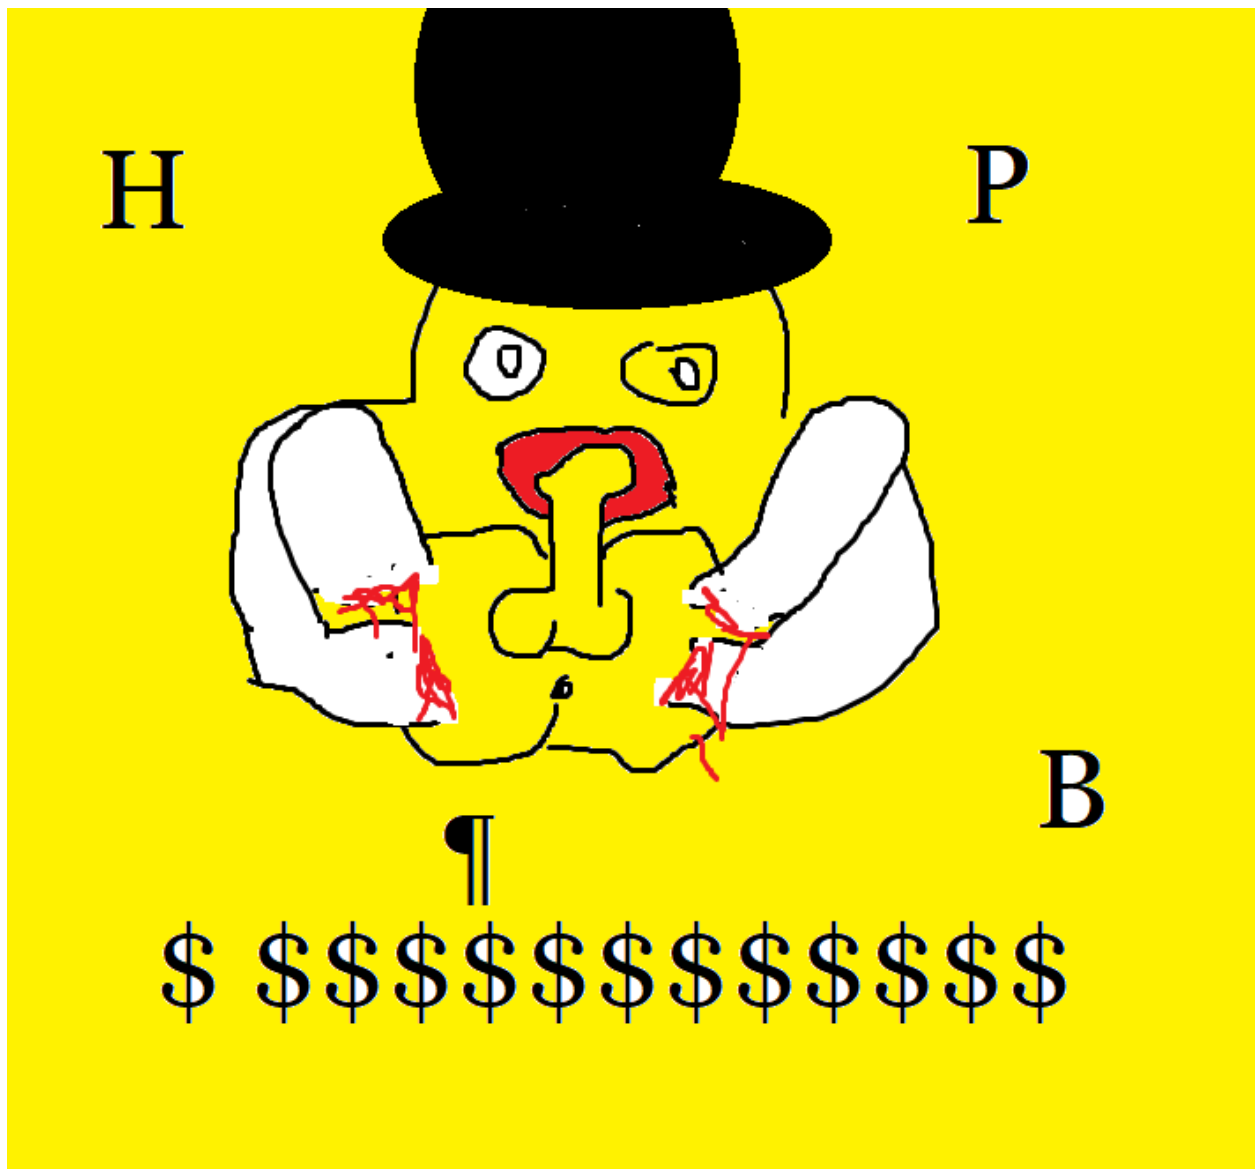

COCK entered the world

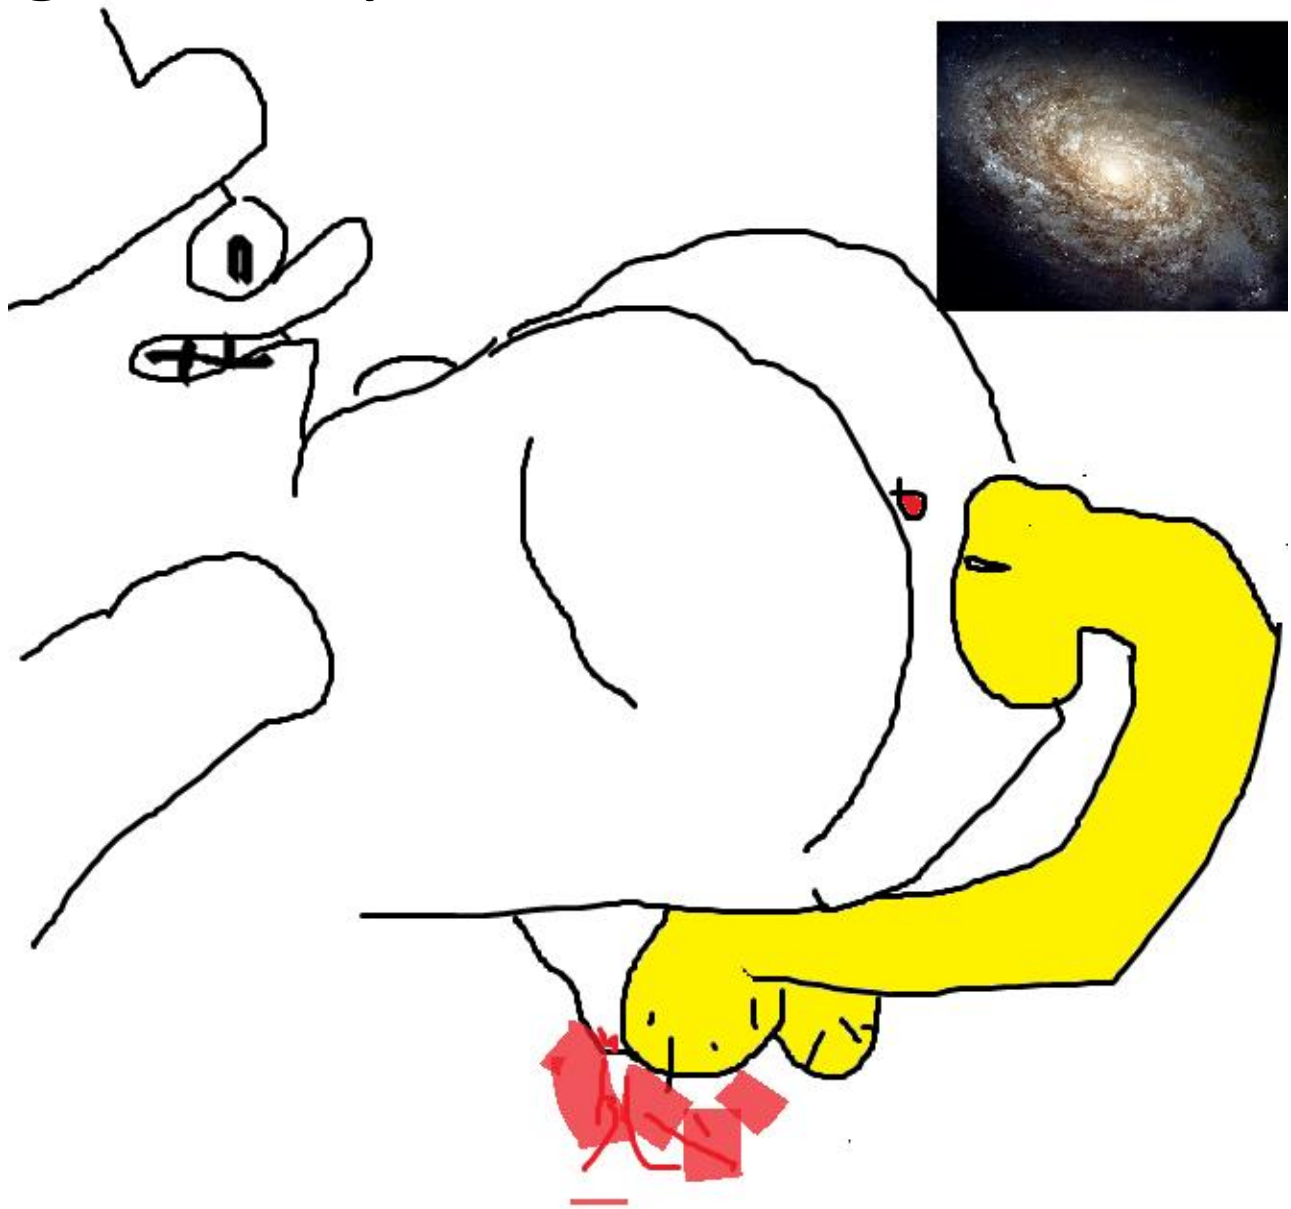

The People rejoiced

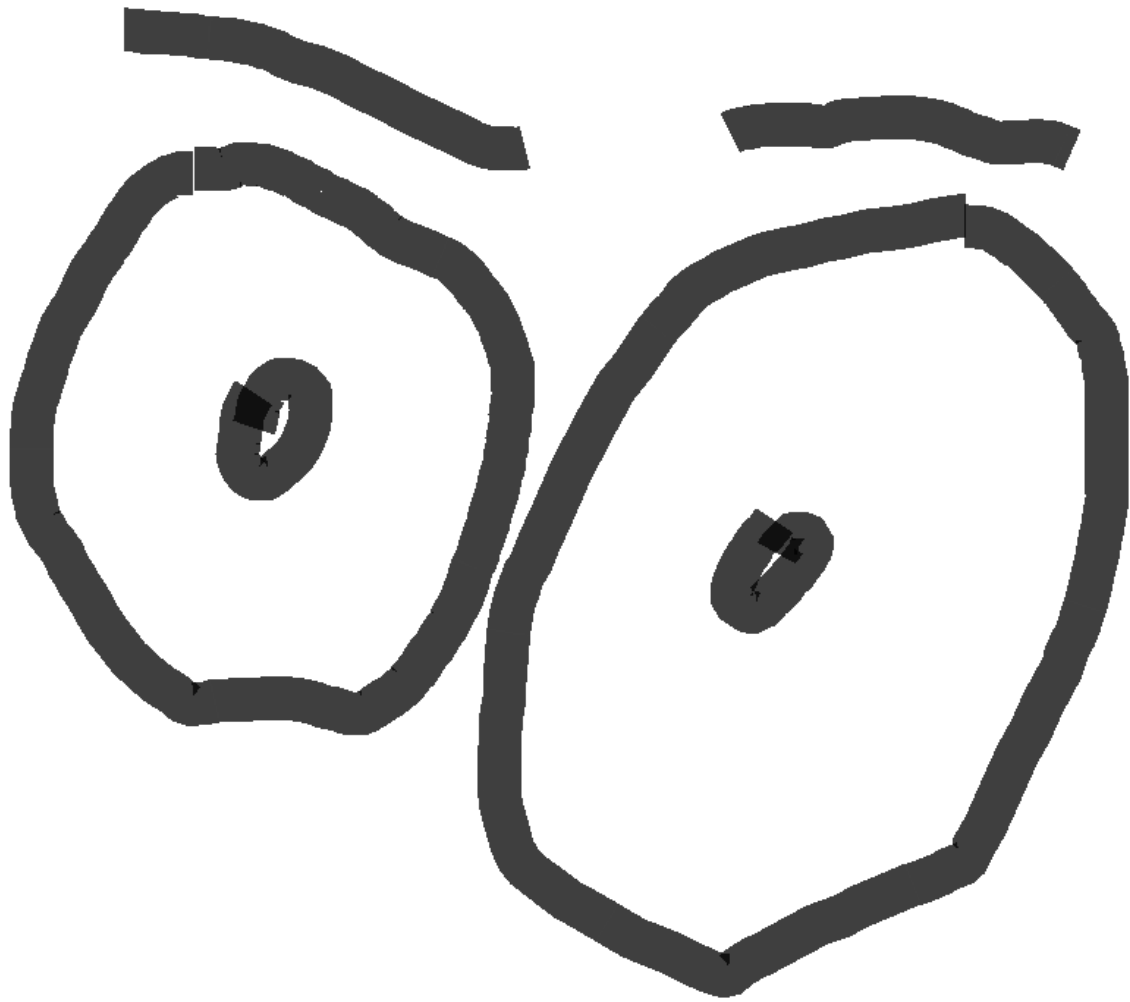

But a greater price had to be paid. And Dazzle Razzle paid it with himself to be one with the celestial light

The ouroboros. The truth. But then, alas, the occult occlusion that left the world in pure geometry

We now wait for his return
